

Lesson
number ↑

Trace and write 8.

Trace these numbers.
Write them below.

Red border indicates reduction of workbook. Actual page size is 8.25" x 10.5".

Each workbook lesson is the front and back of a tear-out page.

Before ClassMaterials (Use italicized items in *After Class*.)

Eight ducks

Number flash cards 0-7

Number Pattern flash cards 0-8

Chalkboard

8 for each child to trace.

4 _ 6 2 _ 4 5 _ 7 3 _ 5 6 _ 8

(3 5) (6 7) (5 6) (3 4)

Area outside of red border
has a light-colored background
in actual book.

Class Time

- Call the children to the Number Line.
 - Count 0-79.
 - Say each number family and its father.
- Point to 80-89. This is the 80 family; 80 is like the father. This is the 80 family . . . Count 0-89.
- Flash Number cards 0-7.
 - Answer together.
 - If I call your name, say the number.
- Have the children sit. Put 8 ducks on the pond. 8 ducks are on the pond.
- Draw a large 8 on the board. Around and down and right back up—8, 8, 8. Around and down . . .
- Form 8 in the air. Around and down and right back up . . .
- Have the children trace and write 8 on the board.
- Motion: Between, between, between. Do the samples.
