

Lesson 74

Capital Letter X

Lesson 74

Capital Letter X

51

Aim of the Lesson

To teach the formation of the capital letter X.

Directions

The children should trace over the strokes and letters in row one. Row two is for their practice of the letter X. In row three, the children should trace over and copy the word *Xenia*, then trace over the letter *L* and copy it to the end of the row. In row four, the word *extra* should be traced over and copied, then the numeral 4 traced over and copied to the end of the row.
