

Grade 1 Reading

Grade 1 of the *Bible Nurture and Reader Series* is planned to provide texts and workbooks for the pupil's basic needs in the first grade, with the exception of arithmetic and music. It correlates reading, phonics, language, spelling, and penmanship.

The readers and workbooks are arranged in 5 units with 30 lessons in each unit, making a total of 150 lessons. Each lesson has five divisions: *Reader*, *Reading Workbook*, *Phonics Workbook*, *Worksheet*, and the optional *Printing Practice*. All of these divisions relate to one another in a given lesson thus thoroughly acquainting the child with the lesson for each day.

Readers

The 3 readers contain Unit 1 (71 pages, soft-cover), Units 2, 3 (159 pages, hardcover) and Units 4, 5 (247 pages, hardcover) respectively. The first unit has the story of the Creation and the Fall of Man. The second unit reviews the story of the Creation and continues with stories of Cain, Abel, and Noah, incorporating practical applications. The lessons in the third unit are in poetry form and include stories from the Creation until after the Flood. The fourth unit contains stories about Abraham, Isaac, and Jacob. The fifth unit contains stories about Joseph and Jesus. The story of Jesus is from the Gospel of Matthew.

Reading Workbooks

There are 3 separate reading workbooks with 77 pages in Unit 1 workbook, and 127 pages in each of the other 2 workbooks. The workbooks have 2 pages for each lesson. The exercises are closely associated to the corresponding lessons in the readers. These exercises include practice with the vocabulary words, practice in writing sentences, drills for developing comprehension skills, and seat work in various forms.

Phonics Workbooks

The 3 phonics workbooks consist of Unit 1 (95 pages), Units 2 and 3 (131 pages), and Units 4 and 5 (131 pages). The phonics workbooks have two pages for each lesson. The first unit teaches the basic single consonant sounds as well as the short and long vowel sounds. The following four units continue to teach and review letter sounds and their combinations, give practice with phonetic words, and provide seatwork in phonics.
