

## Lesson 16

### **When People Are Angry**

Cain was very angry.

He wanted God to like what he did.

But God is good.

He can not like bad things.

So He did not like what Cain did.

If Cain would have done right, God would have liked what He did.

But Cain did not do right.

Then he was angry.

God does not like when people are angry with others.

Angry people do bad things to others.
