

Name _____

(Lesson 24)

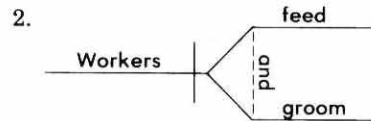

Worksheet 9

Diagraming the Four Kinds of Sentences

Draw one line under each simple subject, and two lines under each simple predicate. If the simple subject is understood, write (you) in the blank before the sentence. Diagram the skeleton of each sentence on other paper.

- Examples: (you) a. Learn about bees.
 _____ b. Bees make honey and pollinate plants.
 _____ c. Do they help us in other ways?
- _____ 1. The queen lays two thousand eggs a day.
 - _____ 2. Workers feed and groom the queen.
 - _____ 3. Have you seen a beehive?
 - _____ 4. Are bees valuable?
 - _____ 5. Study the facts diligently.
 - _____ 6. Observe bees carefully.
 - _____ 7. The hive gets too warm sometimes.
 - _____ 8. Workers fan the hive with their wings.
 - _____ 9. The workers in a beehive work all day!
 - _____ 10. Do bees often sting?
 - _____ 11. Move slowly near their hives.
 - _____ 12. Bees fill their honey stomachs with honey.
 - _____ 13. Catch the swarm of bees.
 - _____ 14. Where will we put it?
 - _____ 15. Put it into a hive.
 - _____ 16. Enjoy the honey!
 - _____ 17. Nurses feed and tend the larvae.
 - _____ 18. Beebread is made from nectar and pollen.
 - _____ 19. The servants and nurses are working all the time.

- _____ 9. The workers in a beehive work all day!
- _____ 10. Do bees often sting?
- (you) 11. Move slowly near their hives.
- _____ 12. Bees fill their honey stomachs with honey.
- (you) 13. Catch the swarm of bees.
- _____ 14. Where will we put it?
- (you) 15. Put it into a hive.
- (you) 16. Enjoy the honey!
- _____ 17. Nurses feed and tend the larvae.
- _____ 18. Beebread is made from nectar and pollen.
- _____ 19. The servants and nurses are working all the time.

(Numbers 12-19 are on the next page.)

Worksheet 9 Answers
