Growing in Music

Pupil Textbook

Although this textbook assumes that the pupil can recognize characters such as notes, rests, and clef signatures, the six chapters cover the simplest elements of music and can be used for those who have had no previous instruction.

Such aspects as sound, tone properties, good singing habits, the various parts of the staff, the major diatonic scale, notes and rests, and rhythm are taught. There are questions at the end of each chapter for the student to answer.

Sight-reading exercises in the back of the book help the students to learn the scale and simple rhythm patterns. A sections of rounds and two-part songs is provided to help the students in harmonizing parts.

Pupil's Workbook

The workbook is divided into 21 exercises, which help rivet the concepts taught in the textbook. At the back of the workbook are seven pages of blank staves for general practice.

Teacher's Manual

The Teacher's Manual gives positive direction so that the teacher will not lose his way—even if he has never taught music before. Teaching the lessons and conducting the singing periods are clearly explained, and various drills and quizzes are included. The chapter reviews help to prepare students for the tests. Answers to questions in the pupil's books, workbooks, and tests are given. Suggested songs are listed, which may be found either in the back of the pupil text or in the songbook *Silver Gems in Song* (available from Rod and Staff Publishers, Inc.).

Tests

The test booklet, with tear-out pages, has a test on each of the six chapters plus a final test.

Music Glossary Words

alto	pitch
bass	power
bass clef	properties
brace	pulse
clef signature	pulse note
degree	quality
diaphragm	quarter note
double bar	quarter rest
eighth note	range of hearing
eighth rest	rest
F clef	rhythm
flat	scale
G clef	score
grand staff	shaped notes
half note	sharp
half rest	sixteenth note
half step	sixteenth rest
home tone	soprano
interval	sound
key signature	staff
larynx	step
ledger lines	syllable
length	tenor
major diatonic scale	time signature
measure	tone
measure bar	treble clef
music	vibrating centers
nasal tone	vibration
noise	voice box
note	volume
octave	whole note
phrase bar	whole rest
