

11–15

- _____ He taught the Scriptures in the synagogue.
- _____ Apollos came to Ephesus.
- _____ Apollos went to Achaia and taught the believers.
- _____ The brethren wrote a letter to encourage the disciples in Achaia to receive Apollos.
- _____ Aquila and Priscilla helped Apollos in the things he did not know.

16–20

- _____ Many people rejected Paul's teaching.
- _____ Paul taught three months in the synagogue.
- _____ He laid his hands on the believers and they received the Holy Ghost.
- _____ Paul found some believers at Ephesus who did not know about Jesus.
- _____ Paul taught two years in the school of Tyrannus.

21–25

- _____ The man with an evil spirit overcame the seven men.
- _____ Miracles of healing and casting out devils were done by Paul.
- _____ Many people burned their books of magic.
- _____ Some workers of magic tried to drive out evil spirits in Jesus' Name.
- _____ Many people became afraid and confessed their sins because of this happening.

E. Continue Paul's journeys on the map on pages 48 and 49.

1. Trace the journey from Corinth to Antioch with purple.
2. Change to black crayon for the third missionary journey, beginning from Antioch.
