Further Study

1. Why were animal products harder to make during the time of the early settlers than they are today?

The settlers had to do everything by hand. We use machines to do much of the work.
2. How did the sermon “Sinners in the Hands of an Angry God” affect the listeners?

Many listeners wept.
3. (a) What began to concern some Christians? (b) How did Jonathan Edwards try to take care of the concern?

 - Some people began to get very noisy and excited at the meetings.**
 - He said people should not be too emotional, but he recognized that God’s power does affect our feelings.**
