

# Teacher's Manual • Lesson 19

T-177 Chapter 5 *Decimal Fractions*

## LESSON 65

### *Objective*

- To review the material covered in Chapter 5 (Lessons 54–64).

### *Teaching Guide*

Lesson 65 reviews the material covered in Chapter 5. Be sure to discuss any parts with which your students had special problems. Tell the class that Lesson 66 will be a test.
