

Reader • Lesson 27

196

6. Give four builder's terms that the Lord used in His description of the Creation.
7. Copy the figurative language that the Lord used in referring to
 - a. an ice-covered body of water.
 - b. rain clouds.
 - c. the results of drought.
8. "It is turned as clay to the seal" refers to the ancient practice of making impressions of words and pictures in clay by using an engraved cylinder of stone or metal. Soft clay was pressed around the cylinder to make the impression.
 - a. To what does the pronoun *it* refer in this sentence?
 - b. How does this comparison suggest a spherical earth?
9. It seems clear that God spoke this message to Job in order to
 - a. inform him.
 - b. humble him.
 - c. satisfy his curiosity.
 - d. arouse a desire to learn.

Class Discussion

Scientists have observed many things with telescopes and microscopes that Job never imagined. But God had perfect knowledge about these things all along. Give some facts that have been discovered about the following items.

- | | |
|---------|-------------------------|
| a. snow | c. stars |
| b. hail | d. breadth of the earth |
