REVIEW

1.
 - a. What is the purpose of modern dictionaries?
 - b. What view of dictionary publication should not be applied to life in general?
2. How did Webster's blue-backed speller influence American speech?
3. Describe two plans, proposed in the 1500s, by which words would be spelled exactly as they sound.
4. Why would a completely phonetic spelling system be impractical?
5.
 - a. What man campaigned actively for spelling refinement?
 - b. What organization also helped improve spelling consistency?
6. When is euphemism appropriate?
